**STORM LEDGER AND CONDITIONS FOUND:**

**8:15 AM 30°**, a rain shower came through coating everything with a light coating of ice. Will call everyone in to treat their routes and go from there.

**11:00 AM 35°** with cloudy skies. John completed his route and is headed home.

**11:30 AM** Allen and Bob and Albert done sanding. Allen and Albert will be opening up catch basins and water bars, Bob home to rest incase we need a truck later.

**2:30 PM** Albert and Allen headed home.

**7:30 PM 36°** with heavy rain. Called Bob to come in and check all the gravel for icing and water buildup.

**12:30 AM 45°** with of and on Rain. Talked to bob, put out 4 loads, felt everything would be Ok for the rest of the night. Sent him home to rest.

**4:30 AM** temperature dropping below 32°. Found spot icing here and there on all roads. Will call Albert and Allen at 5:00 Am to check all roads.

**9:00 AM all routes are done, everyone home for the holiday.**
