STORM LEDGER AND CONDITIONS FOUND:

4:00 AM 10° with about 2 inches on the ground. Will call the guys to start making their rounds. Storm is more easterly and has started later than anticipated, so it will most likely result in lower accumulations.

6:00 AM 12° with about 3 inches of snow on North Road. All trucks working, no issues.

8:30 AM All routes plowed once. Guys are in grabbing coffee and will head around again.

9:00 AM all headed on the road for second round.

12:00 PM all in for lunch, snow starting to let up, around 7 inches so far.

1:00 PM all headed out, Josh in to snow blow walks. Will plow and treat trouble areas. I will run salt behind the trucks.

5:30 PM all routes covered, will be headed home until 3 AM.

3:00 AM all in for cleanup. Tim will be in at 5AM to begin walks and his cleanup.

9:00 AM all routes have been plowed and treated. Overall snow total is 9 inches. We will be pushing back and scraping the main roads for the rest of the day.
