**STORM LEDGER AND CONDITIONS FOUND:**

**3:00 AM found around 2 inches of wet snow. Will have everyone scrape off their routes. Me and Brett on his route, he will have the loader. Ronnie on his with grader, Jeff covering prospect area and his route.**

**8:00 AM 25° with about 4 inches of snow, guys are finishing up their routes. Jeff and I will run salt while we wait for the storm to end.**

**9:00 AM it appears they are having school. We had no contact from the bus company or the SAU to ask about road conditions.**

**11:00 AM Crew headed out to scrape and treat as needed. Temps are falling.**

**1:00 PM crews are finishing up plowing, sanding will be up to Damon and Jeff.**

**2:30 PM call from Jeff, Grader has no electric power out at Merrill's, I will grab the test meter and head to help Ronnie.**

**3:30 PM grader is running. I have sent Brett home, he will come back at 7:00 PM to scrape all paved parking areas with the loader.**

**4:30 PM All routes have been treated, guys are heading home.**
