**STORM LEDGER AND CONDITIONS FOUND:**

**4:00 PM light snow. Roads are fine, lightly covered no issues found.**

**6:00 PM light snow, maybe an 1 ½ tops. Still no issues will plow the major hills and wait for 2 to 3 inches.**

**7:30 PM about 3 inches, will call the crew in to begin plowing.**

**8:30 PM 12° with light snow. All truck are on their routes.**

**12:00 AM all routes covered once. Guys will be in to take a break.**

**2:00 AM 15° with steady snow. About 2-3 inches on the roads. No one having any issues.**

**3:30 AM measured 6 inches at the library; wind is just starting to pick up. Will get the guys up and going.**

**8:00 AM 12° with blowing snow. Everyone done their route, will get breakfast and then head back around.**

**9:00 AM storm is over, everyone is cleaning up.**

**2:00 PM all routes have been plowed and treated, everyone is headed home. We had 10-12 inches, it was hard to get a good measure form the heavy wind and blowing snow.**
