**Request for Proposal**

April 9, 2015

The Town of Hancock, Public Works Department will be accepting bids for the purchase of approximately 2500 yards of 1 inch crushed gravel.

- Proposals should include a price per yard, delivered to the Hancock Public Works Department (located on Route 137 N Hancock NH).
- Proposals should also include a price per yard if we picked up in your yard with our loader.
- Any bidder submitting price per ton must include the conversion from tons to yards and include and average moisture content for sample. All bids shall meet the following specifications:

Sieve Size	% passing by weight
1"	100%
3/4"	90-98%
1/2"	68-91%
No. 4	50-78%
No. 8	37-67%
No. 40	13-35%
No 200	6-11%

At least 65% of the material retained on the 1/2" sieve must have a fractured face.

The Town of Hancock reserves the right and will periodically test any material that is purchased under this specification. **A full copy of a recent sieve analysis MUST be provided with any proposal.**

All proposals must be sealed and delivered to the Hancock Town Offices (50 Main St.) no later than 3:00 PM on Monday May 4, 2015 and will have crush gravel on the front of the envelope. Bids will be opened at the regularly Scheduled Selectmen's Meeting.

The Town of Hancock reserves the right to request a sample of your product prior to awarding the proposal. Prices are for Calendar year 2015. The contract may be extended for 1 calendar year upon agreement of both parties. The estimated quantity is only an estimate; actual amount will vary based on a number of factors. The Town of Hancock reserves the right to reject any and all bids and to accept the bid the best fills the needs of the Town of Hancock.
