

Minutes of the Water Commission Meeting
June 22nd, 2016

Attending: Joel Chandler, Jeff Wilder, Kurt Grasset and Linda Coughlan, Recording Secretary

Monthly Reports: The commissioners reviewed and signed off on the May water report.

UV System:

Kurt said he will be looking into some type of an agitation system for mixing the dry chlorine calcium into larger batches. Kurt said switching to the dry chlorine was working out very well.

Retirement:

Regarding his staying on as water operator after his retirement as DPW Director, Kurt said he was planning to use Damon and Jeff as back up operators for the water system when he wasn't available. He said the two guys have already been taking care of the chlorinator once a month. Kurt said he would set up a drop box of what he has stored on his computer. He will make copies of his work on a stick and keep that updated. He said the highway crew will still do the water repairs. The commissioners will meet to discuss payment details for Kurt.

CCR Report:

Kurt had a copy of the annual CCR report for the commissioners to review. He said it was a good report, there were no health hazards or violations reported

There being no further business the meeting adjourned at 5:00 P.M.

Respectfully submitted,

Linda Coughlan
Recording Secretary
