To the Board of Select Board, Hancock, New Hampshire:

Pursuant to NH RSA 231:161, I/we are requesting that a license to erect, install, and thereafter maintain the following described poles, structures, and/or conduits together with wires, cables, and associated sustaining, strengthening and protecting fixtures, be granted across and/or under the following public right(s)-of-way in said municipality: ____________________________________________________________.

EQUIPMENT DESCRIPTION: (check box & provide necessary information)

☐ POLE

Being numbered ________, or set of Poles, being numbered ______________________ and as shown on plan titled _______________________________ dated __________________ attached hereto and made a part hereof.

☐ UNDERGROUND CONDUIT

Being described as ____________________________ and as shown on plan titled _______________________________ dated __________________ attached hereto and made a part hereof.

In accordance with the requirement of RSA 72:23, I(b), this license is granted to the licensee(s)subject to the condition that the licensee(s) and any other entity using or occupying property of the municipality pursuant to this license shall be responsible for the payment of, and shall pay, all properly assessed real and personal property taxes no later than the due date. Failure of the licensee(s) to pay duly assessed personal and real property taxes when due shall be cause to terminate this license.

Town Clerk

If approved the applicant(s) are hereby granted a license to erect and maintain poles and structures, with wires, cables, conduits and devices thereon, together with sustaining, strengthening and protecting fixtures, in the public ways covered by said petition. All of said wires, except such as are vertically attached to poles and structures, shall be placed in accordance with the National Safety code in effect at the time of petition and/or license is granted.
