Burn Pile

Acceptable items:
Brush and tree wood under 5" in diameter

Unacceptable items:
Painted, stained glued or pressure treated wood, plywood, chipboard, construction lumber, fiberboard or furniture

NOTE: The State of New Hampshire regulates and inspects the burn pile on a random basis. They have the authority to close the pile, fine the Town, or both, if contaminants are found.

NO DUMPING OUTSIDE NORMAL OPERATING HOURS

Unacceptable Materials

HAZARDOUS WASTE:
Household Hazardous Waste is not accepted at this facility.

Collections are scheduled at the Keene Recycle Center at no cost to Hancock Residents. Please see flyer for dates

Oil based paint is considered Hazardous Waste

TRANSFER STATION PERMIT REQUIRED

Transfer Station Permits are available at the Town Office. Please bring proof of residency, property ownership or affidavit from property owner.

Resident permits are issued by Town Clerk at time of vehicle registration. Non-resident permits expire at end of the year and require proof of property ownership or affidavit from property owner.

Town of Hancock Transfer Station and Recycle Center

RECYCLING
of all paper, cardboard, glass, #1 & #2 plastic containers, aluminum cans, steel (tin) cans, electronic components and scrap metal
IS MANDATORY

Swap Shop

The swap shop is for the exchange of clean re-usable items. Volunteer attendants or staff will determine the suitability of any item.

- To be fair to all residents there will be a limit of the removal of 5 items per person per day.
- Nothing is to be left outside unless authorized by volunteer or staff.

Tyler Howe - Director of Public Works
Ricky Plankey - Transfer Station Supervisor
